INVITATION TO SERVICE PROVIDERS TO REGISTER ON THE POLOKWANE MUNICIPALITY SUPPLIERS' DATABASE (R30 000.00 TO R200 000.00) FOR 2021/2022 FINANCIAL YEAR

Polokwane Municipality (Supply Chain Management-SCM) hereby invites service providers to apply to be registered and included on the suppliers' database from R30 000.00 to R200 000.00 threshold for 2021/2022 financial year. This invitation is opened to all old and new service providers.

Service providers are allowed to register only four (4) categories of services at a time. Services will be highlighted in the database registration form. Please note that Polokwane Municipality will not conduct business with service providers who are not registered on the municipal suppliers' database and on the Central Supplier Database (CSD).

Due to COVID-19 pandemic and the need to observe social distancing and COVID-19 protocols, the Supply Chain Management (SCM) will not have time to check compliance of your database registration forms before closing date. Evaluation of database registration forms will occur after closing date.

It is therefore the responsibility of each service provider to ensure that they submitted a fully completed, well packaged, stapled and organized database registration form with the required attachments. Failure to do so will automatically disqualify a service provider to be registered on the database.

Prescribed database registration forms can be downloaded from Polokwane Municipality's website: www.polokwane.gov.za.

The database registration forms will be available from **Friday, 09 July 2021**. Closing date for submission of database registration forms is **Tuesday, 10 August 2021 at 12h00** in the tender box at the above physical address. Database registration forms received after the closing date and emailed copies will not be considered.

Enquiries in relation to compliance requirements of the database registration should be directed to the **Supply Chain Management (SCM) – Tender Office at 015 023 2337**.
